

Dear Parents

It's hard to believe but we're here at the end of our first half term a massive well done to the children for embracing their learning opportunities so fully and enormous thanks to the staff for enthusiasm and dedication. Many, many thanks to each and every parent for supporting what we do here - for sharing our values and being such an essential part of our work here. It's time for a well-earned break as next half term is absolutely packed with extra events for us to enjoy!

When we return there will not be swimming in the first week back but Mr Garces will lead an afternoon fitness session in the hall for the children, so that will shake off the cobwebs no doubt. Swimming will resume the following week due to Leeds schools' holiday schedule.

I have received replies for Parents Evening and appointment times will be sent out immediately after the holiday. Parents Evening is Monday 4 November which is also the day of the NHS visit for the flu immunisations. The following week has our November Hop on Tuesday 12th and of course Friday 15th is a well-earned additional day off.

In the meantime, thank you again for a great half term and very best wishes for a pleasant Autumnal break with your loved ones.

Kind regards

Julie Tanner

Head Teacher
