All holiday absences must be requested in advance in writing and not be for more than ten working days per year.

Absences will NOT be authorised during important school events, such as:- Christmas activities or important rehearsals in December (Nativity play, Carol Service); the Spring Revue in March (all pupils), the Juniors' ESB exam (late March); the Juniors' school play in May; all House activities in the summer term and Speech Day in the last week of summer term.

Religious days of observance are authorised.
