

Literacy

Children thought about what they might see at autumn time including hedgehogs, squirrels, leaves, trees, rain, sun and conkers. Children thought of adjectives to describe these and Y2 thought of appropriate verbs and adverbs to create extended noun sentences. We put these together to make an autumn poem.

Phonics

L1 – children have continued to practise oral blending and segmenting, they have been doing robot talking and robot walking

L3 – children learnt the GPCs ar and ur and writing tricky words no, go and I

L3 – children revisited the GPCs ur and ow and practised writing tricky words was, my, you, they

L6 – children learnt the grapheme wr to make the /r/ sound.

Autumn 1

18/10/24

What an amazing half term – the children have kept momentum with their learning right up to the very last day! If anyone is having a clear out over the holiday we are in desperate need of spare clothes – especially underwear and socks for little ones! Anything would be appreciated thank you! Have a great holiday everyone.

Reminders & Notices

- No swimming first week back due to Leeds holidays
- Children to wear winter uniform
- Children can bring wellies (school colours) for wet weather
- Parents' evening time slots will be sent out after the holidays – please add missbandmissr@teachers.org as a contact on Skype and send a message with your child's name so I can set this up before the evening to avoid any delays!

Next Week

Monday:

Tuesday: PE pm

Wednesday: Homework goes out, no swimming this week (children come to school in PE kits)

Thursday:

Friday: Piano am, PE pm

Maths

Rec: We have been focusing on the numbers 1,2,3 and spotting these numbers in the environment. Children have subitised (said how many without counting) amounts to 3 and have practised their number formation

Y1: Children have been learning about measuring length and using language longer, shorter, taller to compare. Children have measured using cm and a trundle wheel.

Y2: Children have measured length and height in cm and have drawn lines of different lengths.

Topic

In Art, children have made observational drawings of autumn leaves, looking closely at colours and patterns they can see. In PSHE, children have learnt about the golden rule 'We are honest' and spoke about why it is important to always tell the truth after listening to the story The Boy Who Cried Wolf. In History, they finished their booklet about the Great Fire of London and shared what they had learnt in celebration assembly.
